From the Prez

A couple of reminders:

1. On July 10 we'll have our Nomination of Officer's meeting, where the slate of officers that was developed by the Nominations Committee will be read. Following that reading, nominations may be taken from the floor.
2. During our July 24 meeting we will vote for our new officers. Bring a pen or pencil, and be prepared to make your marks on a secret ballot.

I know we're running somewhat late this year, but sometimes it's wise to not hurry.

Paul Berg

From the Acting Secretary

Admittedly this is a hurry-up, stripped-down and sad excuse for a newsletter. Actually, I have no intention of being the editor of our club's newsletter; I just thought that it is important for us to have a missive that has some color. *I also hope to inspire someone out there to take the job on.* I was a newsletter editor for another organization for 15 years; I enjoyed the first 14 years; but old age has its consequences.

My thoughts: it doesn't need to be as full of info as we're used to. But It would be more friendly, professional, and polished than an email, that I will be sending out from time-to-time anyway.

We also need a webmaster. Interested in having a power position? Webmasters and newsletter editors have it all!

Enough from me.
